MIAMI BIANCO

A close-up photograph of a person's hand resting on the surface of blue water. The hand is positioned diagonally, with fingers slightly spread. A large, irregularly shaped turquoise ring with a silver-toned band is worn on the ring finger. The person's fingernails are painted a matching turquoise color. The water's surface is textured with gentle ripples, and the overall color palette is dominated by various shades of blue and turquoise. The lighting is soft, creating a calm and artistic atmosphere.
